

Parent/Carer Consent Form for taking and using photographs and videos of students

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to seek your consent to take and use photographs/videos of your child. We really value using photographs/videos of students, to be able to showcase what students do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent.

Student Name:

Date:

At Highfields School, we sometimes take photographs/videos of students. We use these photos/videos in the school's prospectus, on the school's website, the school newsletter, on display boards around school and in the media. We only list your child's first name in any publicity material we publish.

We would like your consent to take photos/videos of your child, and use them in the ways described above. If you're not happy for us to do this, we will accommodate your preferences.

Please tick the relevant box below and return this form to school:

I am happy for the school to take photographs/videos of my child

I am **NOT** happy for the school to take or use photographs/videos of my child

If you change your mind at any time, you can let us know by emailing info@highfields.derbyshire.sch.uk, calling the school on 01629 581888 or in person by informing the school office.
