RESOURCE PRODUCED
IN PARTNERSHIP BETWEEN

The School Games Organiser network and Active Derbyshire are working together to create and publish a weekly programme of activities to help support schools to assist parents and carers to maintain an active routine for children and young people whilst at home or when socially distancing in essential care.

The weekly activities will be sport themed and include golf, football, orienteering, athletics, cricket, gymnastics, boccia, netball and racquet sports. All activities have been developed so everyone can have a go using equipment found in the home and in whatever space you have available.

Children and young people should engage in moderate-to-vigorous intensity physical activity for an average of at least 60 minutes per day across the week. This weekly resource will give simple ideas on how to be physically active with a different sport theme for 30 minutes each day. For ideas on how to achieve the remaining 30 minutes please visit the Active Derbyshire [website](#), or contact your local School Games Organiser by clicking on their logo within this resource.

This pack contains a schedule of suggested activity challenges for the week and daily activity cards. You do not have to do them in the suggested order or in fact do them all, if you really enjoy one day there is nothing stopping you doing that activity every day! However, if you do the personal challenge, we would encourage you to have a go at it each day and aim for improvement.

There will be a virtual competition each Friday, details of how to enter are shown on the schedule page and on the Friday activity card. The competition will be run at district and county level. There will be prizes for schools with the highest percentage of entries based on pupils on roll, certificates for all entrants and a prize draw after the last week for those who have entered 100% of the virtual competitions. Where permission has been granted, we may showcase entries, on the Active Derbyshire website, in our newsletter, on the Active Derbyshire Facebook, @Active Derbys Twitter account and with local media outlets. Please make sure that all activities are carried out in a safe manner.

We are very interested to receive your feedback so we can continue to do what works well but also make amendments to future weeks to ensure the resource is relevant and useful. Please send any feedback to derbyshireschoolgames@activederbyshire.org.uk

For additional challenges and ideas on how to keep physically active visit the Active Derbyshire [website](#) or your School Games Organiser page.

INTRODUCTION TO

GYMNASTICS

HISTORY OF GYMNASTICS

The term gymnastics, derived from a Greek word meaning “to exercise naked,” applied in ancient Greece to all exercises practiced in the gymnasium, the place where male athletes did indeed exercise unclothed. Women weren't permitted to compete in gymnastics events until the 1920s.

TUESDAY CHALLENGE

One Foot Balances

! Personal Challenge

ACTIVITY

- **Stork Stand** – The leg you're going to stand on is kept as straight as possible with your foot turned out slightly and flat on the floor. Focus your eyes on something that doesn't move and slowly lift your free leg to the front or side to balance. Stretch your arms up or out to the side.
- **Arabesque** – Stand tall with arms out to the side. Choose your balancing leg, keep it as straight as possible and slowly lift the back leg up, keeping your back tensed as the body slowly tilts forward. Look forward and keep your shoulder up
- **Y balance** – Standing tall. Perform a side leg stork balance. Take the hand from the same side of the body and hold onto your foot. Slowly lift the foot as high as possible, carefully pushing the leg straight. Reverse slowly to stand safely.
- **T balance** – Start with feet together and slowly lean to one side, lifting the opposite side as they move. Once your body is as near to being horizontal as possible (looking like a T) hold it before lowering your leg and raising your body to stand
- Watch the [Demonstration Video](#) and photos on the next page see how to do it

MAKE IT EASIER...

- Hold onto a wall to help you balance

MORE OF A CHALLENGE

- Can you put your balance on a secure platform? e.g. a low brick wall or your moving scooter. [Video](#)

MAKE IT INCLUSIVE

- Place foot on top of balancing foot for stork stand. Rest foot on platform and hold onto wall for arabesque

LEAD OTHERS

- Can you perform these balances linked with someone from your house?

15mins

How can you demonstrate determination throughout this challenge?

Don't give up! Try your hardest to conquer these balances.

TOP TIPS

Keep a tight body position. Straight legs and arms when needed, with toes pointed. Focus on something that doesn't move

THURSDAY THINKING

! **Problem solving**

ACTIVITY

Rock and Roll – sitting in a tuck shape holding onto the front of your legs, roll back onto your shoulders, keeping your head tucked in towards your knees. Then roll forwards so that your feet then come back to the floor.

Teddy Bear Roll – sitting in a straddle, hold onto your knees. Lean one shoulder sideways towards the floor and at the same time, lift the opposite leg. Roll onto your shoulders staying in a straddle, land back into straddle after rotating 180°. Land to see what is behind you.

Dish – Arch Roll – holding a dish shape, lean onto one side of your body rolling over onto your tummy. As you roll, change your shape to an arch. How many can you do before you run out of space?

Forward Roll – start in a straight shape, then crouch down small placing hands on the floor in front of you. Tuck your head in so that you roll on your shoulders, not the top of your head. Roll like a ball in a tuck shape, until feet land back on the floor. Stand up to finish in a straight shape without using hands to stand.

Watch the [Demonstration Video](#) to see how to do it!
