Dear Student

## EXAM RESULTS 2021

After the disruptions you have faced with your exams, we understand how important receiving your results is. Bearing this in mind, we have decided to run results days as normal where you can collect results from school on the following days:

A Level – Tuesday 10 August

GCSE – Thursday 12 August

Results will be available for collection from the sports hall from 8:30am until 12:00pm. There will be various staff around from Sixth Form and Exams that will be able to help with any queries/questions that you may have upon receiving your results.

We will keep an eye on guidelines for social distancing during the summer break and make sure that anything required is in place for when you come to collect your results.

If your results are not what you expected, there is an appeals process available for very specific cases. Please find enclosed further information on the appeals process that has come from gov.uk website. Please note that priority appeals only apply to A Level students regarding grades for their first choice university place.

We hope you enjoy the summer break and wish you all the best for your results and the future.

Yours faithfully

Anna Walsh  
Examinations Officer
