

Required Uniform for years 7-11 from September 2025

At Highfields School we seek to develop a happy and inclusive community. Uniform is important to us as it symbolises belonging to our community and represents outwardly our commitment to high standards and expectations.

We expect our families to support their children by sending them to school in a smart, well presented uniform which matches our code. We have provided an exhaustive list of frequently asked questions to help you support your child.

Please ensure your child's name is on all school uniform.

Non Compliance with School Uniform Code

We require our students to respect the expectations of their community and this means following the uniform code. Students will often need support of parents and carers to do so.

When students do not follow our school code it puts them in conflict with their community and this does not contribute to our happy and inclusive ethos.

Non-compliance with uniform code is seen as unacceptable behaviour, repeated non-compliance as defiance and sustained non-compliance as extreme defiance. As such, non-compliance with uniform code may result in a range of consequences depending on the type and frequency of uniform infringement. Consequences are monitored and regulated by senior leaders to promote consistency.

Weekly uniform checks are undertaken by staff. Any student not in full uniform will receive a 30 minute teacher detention for the subsequent evening.

Where a parent/carer feels that a child's needs require reasonable adjustment to uniform code, contact should be made with special education needs coordinator (SENCO).

Consequences:

Should a student arrive for registration in the incorrect uniform, they will be issued with a 30 minute teacher detention for the subsequent evening.

They will then be asked to report to the pastoral hub(s) in order to rectify their uniform by borrowing a school skirt, trouser, blazer, tie or shoes**.

Refusal to wear the school provided item will result in students being educated in seclusion until the uniform issue is rectified either by a) the student borrowing the school provided spare or b) parents/ carers dropping off the correct uniform after being contacted by the school.

Refusal to comply with the above will result in a one day suspension, as per the school behaviour policy as this would be seen as extreme defiance.

**Subject to availability - school supplied items must be returned at the end of the school day in exchange for the incorrect items. All school supplied items will be washed daily. Footwear will be treated with a hygienic spray after use.
